## 5 Fallacies about God

1. God needs something.
2. God can fail to get what God needs.
3. God has separated you from God because you have not given God what God needs.
4. God still needs what God needs so badly that God now requires you, from your separated position, to provide it.
5. God will destroy you if you do not meet God's requirements.

## 3 Statements of Ultimate Truth

1. We are all ONE
2. There is Enough
3. There's nothing you have to do (to be Who you Really Are)

## 5 Fallacies about Life

1. Human beings are separate from each other.
2. There is not enough of what human beings need to be happy.
3. To get the stuff of which there is not enough, human beings must compete with each other.
4. Some human beings are better than other human beings.
5. It is appropriate for human beings to resolve severe differences created by all the other fallacies by killing each other.

## Characteristics of Tomorrow's God

1. Tomorrow's God does not require anyone to believe in God.
2. Tomorrow's God is without gender, size, shape, color, or any of the characteristics of an individual living being.
3. Tomorrow's God talks with everyone, all the time
4. Tomorrow's God is separate from nothing, but is Everywhere Present, the All In All, the Alpha and the Omega, the Beginning and the End, the Sum Total of Everything that ever was, is now, and ever shall be.
5. Tomorrow's God is not a singular Super Being, but the extraordinary process called Life.
6. Tomorrow's God is ever changing.
7. Tomorrow's God is needless.
8. Tomorrow's God does not ask to be served, but is the Servant of all of Life.
9. Tomorrow's God will be unconditionally loving, nonjudgmental, non-condemning, and non-punishing.

## Principles of the New Spirituality (New Revelations)

1. God has never stopped communicating directly with human beings. God has been communicating with and through human beings from the beginning of time. God does so today.
2. Every human being is as special as every other human being who has ever lived, lives now, or ever will live. You are all messengers, everyone of you, and you are carrying a message to life about life every day, every hour, every moment.
3. No path to God is more direct than any other path. No religion is the "one true religion," no people are "the chosen people," and no prophet is the "greatest prophet."
4. God needs nothing. God requires nothing in order to be happy. God is happiness itself. Therefore, God requires nothing of anyone or anything in the Universe.
5. God is not a singular Super Being, living somewhere in the Universe or outside of it, having the same emotional needs and subject to the same emotional turmoil as humans. That Which Is God cannot be hurt or damaged in any way, and so, has no need to seek revenge or impose punishment.
6. All things are One Thing. There is only One Thing and all things are part of the One Thing That Is.
7. There is no such thing as Right and Wrong. There is only What Works and What Does Not Work, depending upon what it is that you seek to be, do, or have.
8. You are not your body. Who you are is limitless and without end.
9. You cannot die, you will never be condemned to eternal damnation.

Replaces the 3 P's:

### The New Gospel:

"We Are All One"  
"Ours is not a better way, ours is merely another way."

### The 3 Basic Life Principles:

Functionality ~ Adaptability ~ Sustainability  
**Replacing:**  
Morality ~ Justice ~ Ownership

### The Be-Do-Have Paradigm:

The "Be-Do-Have Paradigm" is a way of looking at life. It is nothing more or less than that. Yet this way of looking at life could change your life and probably will. Because what is true about this paradigm is that most people have it all backward and when they finally get it straightened out and start looking at it forward, everything in their lives shifts 180-degrees.
